

## 1-3/16" Professional Flexible Putty Knife

Whether you are a professional or a DIY enthusiast, opt for this Professional Flexible Putty Knife for all your renovation or construction projects.

The hardness and flexibility of this Professional Putty Knife's carbon steel blade make it a quality tool for renovation or construction projects. The blade is also solvent resistant and easy to clean. You'll love the comfortable handle that helps reduce muscle fatigue. Ideal for spreading filler, filling holes and scraping paint or wallpaper. Looking for a stiffer tool? Try our [1-1/2" Professional Stiff Putty Knife](#).

### Product Features

- Flexible blade made of carbon steel
- Blade is solvent resistant and easy to clean

- Ergonomic grip
- Durable construction for extended use
