60" x 1" Tapered Wood Handle

This versatile broom handle features a wooden construction with a long tapered end to accommodate a wide range of M2 products.

This wooden broom handle is versatile and durable, ideal for commercial and industrial maintenance. The smooth finish helps prevent risks of splintering and advanced wear. The tapered end fits standard brooms or brush blocks and squeegees. The perfect economical broom handle for a variety of cleaning applications. You can use this Tapered Wooden Handle with Wood Deck Brush with Squeegee, a 7" Masonry Brush with Union Fibre or any other cleaning tool with a tapered connecting hole.
