60" Pro-Twist Dust Mop

The Pro-Twist dust mop with cut ends is made with durable, densely-packed yarn that allows for quick and efficient cleaning of a wide variety of surfaces.

The Pro-Twist Dust Mop features cut ends that effectively capture and retain dust and debris, leaving floors thoroughly clean. Constructed from durable, tightly packed yarn sewn into a reinforced polyester backing, it provides long-lasting performance and excellent maneuverability.

Designed for commercial, institutional, and janitorial applications, the Pro-Twist Dust Mop enables fast and efficient cleaning across a wide range of surfaces. It is compatible with all Clipper and Snapper Dust Mop Frames, offering a versatile and reliable floor care solution.

Product Features

- Durable, densely-packed yarn

- No fraying or tangling
- Strong polyester backing with reinforced stitching
- Helps reduce labour time and costs
- Ideal for commercial and institutional environments and janitorial services
