16" Hercules Industrial Angle Broom

M2 Hercules is made with the highest quality materials and constructed with extra long angled bristles.

The Hercules is the broom needed to tackle the largest clean-ups. Its larger size, angled head and flagged bristles make quick work of any mess. The flagged bristles are ideal for capturing finer particles. It comes complete with a metal handle and foam grip to make cleaning easier and more comfortable. The convenient hanging hook allows you to place it anywhere to save space.

Product Features

- Wider broom to clean more surface faster
- Flagged bristles to clean even the finest particles

- Extended angle to help get hard to reach places
- Includes 48" metal handle
