

20" Utility / Wok Brush - Palmyra Fibre

This 20" Utility / Wok Brush is designed to be used in a swirling motion under running water to deep clean woks and pots.

This utility brush features a 20" long handle made of hardwood and stiff palmyra bristles. It can be used for high heat cleaning and to scrub off grease residue and burnt food. The brush also has a small hole for easy storage. Ideal to clean woks, pots and electric griddles in commercial and institutional applications.

Product Features

- Made with palmyra bristles
- Long hardwood handle
- Designed for high heat cleaning

- Convenient hang-up hole for storage
- Durable utility brush
