

24" Rainbow Poly Duster

The 24" Rainbow Poly Duster is made of non-allergenic polywool that attracts dust by electrostatic action. The fibre density of this duster collects even the finest dust particles on the first pass.

This colourful 24" Rainbow Poly Duster is made of poly wool and attracts and holds dust like a magnet. It is Ideal for cleaning hard-to-reach areas like corners, crevices, cracks, ceiling fans, light fixtures and more. The lightweight metal handle also has a cap with a hanging hole for easy storage.
