

28" "Closed" Floor Sign - English / French / Spanish

This two-sided Closed Floor Sign in bright yellow will warn everyone that a room or area can't be accessed temporarily.

Made of durable plastic, this Closed Floor Sign is designed to inform clients and employees that a specific area is closed for cleaning or maintenance. The bright yellow colour adds visibility while the warning message in three languages makes it clear that it is not safe to go beyond the sign. The rugged construction is suitable for indoor or outdoor use and the built-in handle allows for easy transport. After use, just fold the sign for convenient storage. Put up the Closed Floor Sign after applying a finishing product to your floors with the [Glacier Nylon Floor Finish Mop](#).
