

Auto Foam Soap Dispenser

This touch-free foam soap dispenser helps reduce cross-contamination and spread of germs and can be wall-mounted or used with a stand.

This automatic foam soap dispenser is made with high-impact plastic and features a tamper-resistant viewing window, and a swing-open body with a lock and key. It can be fixed to the wall or mounted to a [mobile metal stand](#). The battery-operated mechanism automatically dispenses an allocated amount of foam soap or sanitizer. Also available as an [Auto Lotion Soap Dispenser](#).

Product Features

- Made with impact-resistant plastic
- Wall mount design

- Clear body for easy view of soap level
- Capacity of 1,000 ml
- Contactless operation
- lockable
