

12" Mars Angle Broom

Lightweight and durable, the Mars Angle Broom is the perfect cleaning tool for hard-to-reach areas.

Featuring long synthetic fibers, the 12" Mars Angle Broom attracts dust and dirt particles thanks to a magnetic design. The angle design helps you sweep in corners and along walls. This all-purpose broom comes with a 48" metal handle with hang up hole for convenient storage. Use it with a [13" Plastic Clip-On Dust Pan](#) for a perfect sweeping job.
