

13" Industrial Angle Broom with Wood Handle

The Industrial Angle Broom has durable, water resistant bristles and a wide design for larger areas.

Featuring long synthetic fibers, the Industrial Angle Broom attracts dust and dirt particles thanks to a magnetic design. The angle design helps you sweep in corners and along walls. This all-purpose broom comes with a 48" metal handle with hang up hole for convenient storage. Combine this broom with the [Industrial Lobby Dust Pan](#) for an efficient sweeping job.

Product Features

- Flagged, angled bristles
- Hang-up feature for convenient storage

- Ideal for indoor and outdoor cleaning
- Liquid, chemical and solvent resistant
- Comes with a 48" metal handle
