
9" Wood Grill Brush

The compact 9" Wood Grill Brush provides a fast and easy way to clean your grill surface.

A safe and easy way to scrub down your grill, this 9" hand held Wood Grill Brush features stiff natural bassine bristles and a sturdy wood block. Use it to scrub away grease and grime effectively. The top handle allows you to get a firm grip while the compact, lightweight design makes it easy to manipulate. If you prefer a brush with a longer handle, try the [20" Wood BBQ Brush with Stiff Natural Scraper](#).

9" Wood Grill Brush - Product Features

- Made with natural bassine bristles
- Sturdy wood block with top handle
