

## 10" Carpet Brush - White Tampico

The 10" Carpet Brush made with white Tampico bristles is a versatile, all-purpose cleaning tool, ideal for residential and commercial use.

This durable 10" brush is perfect for washing carpets, but can also be used for several applications including washing decks, floors and other hard surfaces. Featuring a sturdy plastic bloc with a standard threaded hole and densely packed bristles made of Tampico fibres, it offers excellent scrubbing capacity. The durable design is ideal for lasting and extensive use. Can be used with a [48" Threaded Metal Handle](#) or any other threaded handle.

### Product Features

- Made with 2" natural Tampico fibres

- Sturdy plastic block
- Compatible with threaded handles
- The natural fibres hold water well
- Ideal for washing windows or applying waterproofing
