

Dish And Sink Brush

Tackle the toughest cleaning jobs in kitchens, offices and schools with this rugged dish and sink brush.

This sturdy dish and sink brush features an ergonomic handle and angled bristles that reach easily into corners. It has a small scraper at the tip to loosen stubborn dirt. The raised angle of the grip promotes quick and effective cleaning while the polypropylene bristles are acid, mildew and bacteria resistant. A durable tool for small offices and institutional kitchens.

Pair it with a [Long Handle Pot Brush](#) and a [Pipe and Drain Brush](#) to keep up with the sanitary norms in any kitchen.

Product Features

- Ergonomically designed handle
