

10" Acid Resistant Window Brush

Rely on this durable window brush that is resistant to common cleaners, detergents or acids. Ideal for cleaning vehicles, windows, siding and walls.

This 10" window brush is made of sturdy plastic and offers exceptional strength and durability. The soft, flagged bristles won't scratch any finishes and are resistant to acid and chemicals, making this brush an excellent choice for washing RV's, boats, homes, automobiles and more. Featuring a threaded flow-through water socket, you can use it with common car detergents. Compatible with threaded handles like this [metal one](#).

Product Features
