

Spectra Bi-Level Scrub Brush

Scrub floors, ceilings and other surfaces more effectively with this Bi-Level Scrub Brush.

Providing multiple cleaning angles for a variety of tasks, this stiff bristle Bi-Level Scrub Brush is designed for tough scrubbing. The dual-angle brush allows for high and low cleaning simultaneously. Can be used with a threaded handle like the [Fiberglass Threaded Handle](#).

Product Features

- Stiff, food processing approved PBT fiber
- Colour-Coded to meet HACCP programs
- V-Block for high and low cleaning

- Compatible with threaded handles
- Sturdy and durable cleaning tool
