

Collection Trolley with Locking Cabinet

Transport your cleaning supplies easily with the Collection trolley equipped with vinyl bags and locking cabinets.

This janitorial housekeeping collection trolley can hold all of the supplies you need to clean quickly and efficiently. It is equipped with three sturdy shelves and storage bins to keep cleaning products and equipment within reach. It also has a locking cabinet to ensure your supplies stay safe. The corner bumpers help protect the walls. With two large vinyl laundry bags, it is a great choice hotel, motels and resort maintenance.

You don't need the locking cabinet? Try our [Large Housekeeping Cart](#) that has many of the same features, but with easy access to all the cleaning supplies and different products.
