

Janitor Cart With Locking Cabinet

Improve your cleaning efficiency in commercial, institutional and industrial applications thanks to this versatile and durable janitorial cart featuring a locking cabinet.

This versatile janitor cart provides ample storage capacity. The sturdy construction includes ball-bearing wheels and casters, a bag support with lid, a mop bucket platform with securing grooves and a cabinet door with lock to keep your cleaning supplies concealed and locked up when the cart is unattended. This cart can hold all of your tools and cleaning products while facilitating waste collection. Ideal for commercial cleaning and janitorial applications.

If you need a more secure option, try the [High-Security Janitor Cart](#).
