

Large Utility Cart

Sturdy and maneuverable large utility cart suitable for commercial and institutional applications.

This large utility cart features three sturdy shelves, swivel casters for easy mobility, and large handles. The open sides are great for carrying large loads while the non-marking wheels provide excellent maneuverability. Versatile and durable, this large utility cart is designed for various maintenance tasks. Ideal for hospitality, retail, and a range of other commercial environments.

Also available in a [small format](#) and a [deluxe format](#).

Product Features
