

Cellulose Sponge with Light Duty Scouring Pad

Scrub kitchen sinks, countertops, walls and maintenance equipment with this absorbent Cellulose Sponge With Light Duty Scouring Pad.

This highly absorbent cellulose sponge features a light scouring pad. The scouring pad is ideal for scrubbing and cleaning while the sponge can be used to soak up residue. The cellulose sponge is 10 times more absorbent than a regular sponge and is durable and tear resistant. It works great on walls, countertops and floors. Looking for a sponge that is a bit tougher on dirt? Use the [Heavy Duty Cellulose Sponge with Scour](#).

Product Features

- Tiny holes in the sponge absorb and hold liquid
- Light duty scouring pad on one side

- Resists bacterial odour/li>
- Durable, tear resistant
- Eco-conscious choice
- Ideal for residential, commercial and institutional applications
