

72" Blended Dust Mop - Blue

Hard-wearing blended dust mop for large areas and high-traffic floors.

This durable dust mop is ideal for high-traffic buildings and will help extend the life of your floors by preventing damage from sand, grit, and dirt. Made of long blended yarn, it features a strong polyester backing with reinforced stitching for long lasting and heavy use. A great tool to protect the floor finish and clean large areas quickly and efficiently. Can be installed on all 5" [Clipper](#) or [Snapper](#) dust mop frames.

Blended Dust Mop - Blue - Product Features

- Long, hard-wearing blended yarn

- No fraying or tangling
- Strong polyester backing with reinforced stitching
- Helps reduce labour time and costs
