

## Duo-Chamber Mop Bucket with Speed Wringer

The duo-chamber mop bucket with speed wringer separates dirty water from clean water, making floor maintenance more effective.

The duo-chamber janitorial mop bucket and speed wringer combo is designed for easy and efficient maintenance of small spaces and offices. Crafted in high grade polypropylene and features two compartments to separate clean water from dirty water, a drain valve to facilitate the dumping process and swivel casters for better mobility. The speed wringer allows you to quickly squeeze out the excess water by pressing the metal handle. Perfect for use with the [Looped Microfiber Flat Mop Pad](#).

### Duo-Chamber Mop Bucket with Speed Wringer - Product Features
