

Small Down Press Wringer Only

Small down press wringer suited for cleaning smaller areas such as offices.
Best wringer type to quickly release water.

This small down press wringer is crafted in high grade polypropylene and features a sturdy metal arm with a rubber handle for better grip. It can accommodate small mops and it compatible with regular [mop buckets](#) and the [duo-chamber mop bucket](#), to create an efficient cleaning combo. This small wringer is perfectly suited for homes and offices.
