

Mesh Laundering Bag

Made of high quality material, this mesh bag prevents mops from getting twisted and damaged in the wash to preserve longevity.

This large-capacity mesh laundry bag can hold loads of uniforms, linens and rags. It features a drawstring and locking closure. You can use it for laundering wet mops and dust mops to avoid tangling. Be sure to carry a few of these mesh laundering bags on the [Large Housekeeping carts](#) to ensure impeccable laundry service.

Product Features

- Breathable mesh minimizes odor when filled with damp or wet laundry

- Drawstring top with cord lock
- Fits most standard hampers and sorter frames
- Reusable and machine washable
- Ideal for commercial and industrial applications
