Metal-Threaded Wooden Handle

Made of quality hardwood with lacquered finish and metal threaded tip, this 54" handle fits most M2 products.

This sturdy wooden handle with metal threaded tip is definitely a great choice amongst standard threaded brooms. The metal tip adds strength at point of stress and fits a wide variety of M2 products. It has excellent reachability and wooden construction that will last for years. This metal-threaded handle can be used with a Horsehair and Palmyra Push Broom Head, a Garage Push Broom Head or any other threaded cleaning tool.

Product Features

- Sturdy wood construction

- Metal threaded tip
- 54, 60, or 96" lengths
- Compatible with most M2 products
- Ideal for commercial and industrial use
