1/2" Twisted Wire Brush - White

This 1/2" Twisted Wire Brush features a flexible metal handle that can be bent to fit narrow areas. Perfect for cleaning out pipes, tubes and machine parts.

This practical Twisted Wire Brush has a thin handle made from galvanized metal and dense nylon bristles. You can use it to clean tubes, reusable straws, drill holes and food processing machine parts. It can also double as a detail brush to clean cracks and crevices. The brush is easy to store thanks to a hanging hole. A must-have tool in every maintenance department. Also available in 1", 1.5", 2" and 3".

Product Features

- Made of galvanized metal
- Nylon bristles

- Hanging hole for easy storage
- Easy to wash and durable
- Can be used in a colour-coded system
- Ideal for residential, commercial and industrial applications
