

## 1" Twisted Wire Brush

This 1" Twisted Wire Brush is made of flexible metal and its handle can be bent to conform to odd shapes. Use it to clean small pipes, tubes and machine parts.

Featuring a short handle made from a twisted galvanized metal wire and dense nylon bristles, this tube brush is designed for cleaning out tubes, drill holes, or other small, narrow spaces. You can also use it as a detail brush in cracks and crevices. Easy to wash and to store thanks to a hanging hole, this is a must-have tool in every maintenance department. Also available in [1/2"](#), [1.5"](#), [2"](#) and [3"](#).

## Product Features
