

## 2" Twisted Wire Brush - Blue

This practical 2" Twisted Wire Brush is a great tool for cleaning hard-to-reach areas like holes, crevices, threaded surfaces and other narrow spaces.

This 2" Twisted Wire Brush is made with nylon bristle and a single metal stem with ring handle. It is designed to clean the inside of pipes, tubes, drill holes, cracks, crevices and small cavities. It also doubles as a detail brush to clean small objects and machine parts. This brush features a hanging hole for easy storage and can be used in a colour coded system. Also available in 1/2", 1", 1.5" and 3".
