

3" Twisted Wire Brush

This 3" Twisted Wire Brush is a good cleaning tool to scrub in between the sections of food processing machines, and to loosen up dirt, dust, etc.

Opt for this bendable 3" tube brush made from a twisted galvanized metal wire to clean small holes and cavities. The dense nylon bristles can easily scrub the inside of pipes, tubes, drill holes, cracks, crevices and more. You can also use it as a detail brush to clean small objects and machine parts. This brush has a hanging hole for easy storage and can be part of a colour coded system. Also available in [1/2"](#), [1"](#), [1.5"](#) and [2"](#).
