

Stainless Steel Snake Extension

Made to extend any twisted wire brush for snakes to access and clean hard to reach places.

The Stainless Steel Snake Extension measures 32.6 inches in length and is a useful tool that twists and locks with others to extend reach. Paired with the [1" Twisted Wire Brush for Snake](#) or the [2.5" Twisted Wire Brush for Snake](#), and the [Snake Handle](#), it offers superior control and access to hard-to-reach areas. Crafted from durable stainless steel, it ensures long-lasting performance.
