24" MonoBlock Hygiene Floor Squeegee - Red

The MonoBlock Hygiene Floor Squeegee is ideal for professional kitchens, labs, hospitals and the pharmaceutical industry.

The MonoBlock Hygiene Floor Squeegee does not retain bacteria and is easy to wash and sterilize. This one piece squeegee has protected soft edges and a high wear and tear resistance. You can use it on the floors or the wall for easy cleaning. An essential tool for environments where safety and hygiene come first like healthcare environments or the foodservice industry. The MonoBlock Hygiene Floor Squeegee is compatible with the Aluminum Handle or the MonoBlock Plastic Handle.

Product Features

- One piece squeegee that does not retain bacteria
- Protected soft edges

- Highly resistant to wear and tear
- Ideal tool for smooth, even surfaces
- Can be used on floors and walls
- FDA approved
- Great choice for the HACCP colour program
