

## 18" Plastic Moss Squeegee - White

The Plastic Moss Squeegee is equipped with a closed cell rubber blade and is recommended for environments where safety and hygiene are essential like professional kitchens, labs, hospitals and the pharmaceutical industry.

Our Plastic Moss Squeegee features a heavy duty Dura-flex blade made with 100% closed cell rubber that will not harbour bacteria. Highly resistant to wear and tear and FDA approved, this cleaning tool is built to last. It is compatible with [Threaded to Tapered Insert](#) to be able to use a [Threaded Fiberglass Handle](#), or any other threaded handle. It can also simply be used with the [Tapered Wood Handle](#).
