Horsehair and Palmyra Push Broom - 18 Inch

The Horsehair and Palmyra Push Broom is ideal for cleaning fine dust and dirt on concrete, wood or tiled floors.

This broom head features stiff horsehair fibers at its center for heavy sweeping, and Tampico fibers on the outside for fine sweeping. This perfect combo of bristles makes this an all-in-one push broom. Thanks to the all-natural fill, there is no danger of scratching the floor. Should be paired with a wood handle with metal thread or any other threaded handle.
