

Litter Scoop Frame & HD Vinyl Bag

Our heavy-duty litter bag and metal hoop are designed to pick up large litter for cleaning exterior public areas or in and around schools.

Tackle large cleanup jobs with ease using the M2 Litter Scoop Frame with Heavy-Duty Vinyl Bag, specially designed for areas like parking lots, drive-thrus, open grounds, and more. This powerful tool comes equipped with an ergonomic handling tool, sparing users from aches and pains caused by bending over. Made from quality material, this litter scoop frame and heavy-duty vinyl bag has a sturdy and durable construction.

Make it part of your cleaning arsenal along the [40" Litter Picker](#) and the [Litter Picking Spike with Aluminum Handle](#).
