10" Aluminum Velcro Flat Mop Frame

Thanks to a Has a swivel joint for flexible movements and and a lightweight construction, this Velcro Flat Mop Frame is easy to use and perfect for commercial and residential applications.

Featuring a heavy-duty aluminum construction and a trapezoid shape designed to reach corners, this MicroFiber Velcro Aluminum Frame will help you clean faster and more effectively. It has a 360° degree swivel head for easy maneuvering and an interlocking collar compatible with most types of handles. This mop frame can be used with any velcro style mop pad, like the MicroScrub Microfiber Flat Mop Pad or the MicroPET™ Velcro Flat Mop.

Product Features

- Made of lightweight, yet sturdy aluminum

- Features a trapezoid shape
- 360° degree swivel head
- Holds velcro pads securely
- Ideal for commercial and residential use
