

NanoSilver Microfiber Flat Mop

Washable and sanitary, the M2 NanoSilver Microfiber Flat Mop Pad helps create a cleaner and safer environment in any healthcare facility.

Designed for use in healthcare facilities, the NanoSilver Microfiber Flat Mop Pad helps reduce the spread of infection. The pad features a textured design that penetrates surfaces for a deep, superior clean. Available with green, blue or red rim, it can be used in a colour coded system to prevent cross-contamination. Can be used with the [Aluminum Velcro Flat Mop Frame](#). Looking to clean counters with the same type of product? Try the [NanoSilver Microfiber Cloths](#).
