

## MAC Food Service Loop-End Mop - 20 oz

The MAC Food Service Mop features is durable, absorbent, high-performance, and launderable; these qualities make it the perfect tool for any food service applications.

The MAC Food Service Looped-End Mop is constructed from durable synthetic fibres that resist chemicals and are easy to maintain. Its red coloration allows it to be used within a colour-coded system to help prevent cross-contamination. Highly absorbent and launderable, this mop is built for repeated, heavy-duty use while maintaining efficiency and performance.

For optimal results, pair the MAC Food Service Looped-End Mop with a colour-coded fiberglass [STEP-N-GO Wet Mop Handle](#), creating a reliable and hygienic floor cleaning solution.

### Product Features

- Made of synthetic yarn with looped ends

- Looped ends cover more surface and prevent mop from fraying and tangling
- Coloured yarn hides soiled mop
- Used in food service applications
