

20oz Rayon LayFlat Style Mop

Our Rayon LayFlat Style Mop is a versatile and durable cleaning tool for various floor surfaces. Suitable for use in commercial and industrial settings

The layflat style design allows for easy maneuverability and thorough cleaning. Made with rayon fibres, it is absorbent and suitable for heavy-duty cleaning tasks. The durable construction of the mop ensures a long-lasting performance, saving you time and money on frequent replacements. Use the Rayon LayFlat Style Mop with a [54" Wood LayFlat Wet Mop Handle](#).
