
Garage Medium/Stiff Push Broom

Rugged and durable, the Garage Medium/Stiff Push Broom performs well on rough, unfinished surfaces.

This sturdy push broom head features medium stiff bristles and sweeps debris ranging from fine dust on smooth surfaces to gravel and dirt on rough surfaces. It can be used indoor and outdoor, and in wet or dry environments. The perfect cleaning tool for garages, workshops and warehouses. Combine it with a [wood handle with metal thread](#) and [metal braces](#) for heavy-duty use.

Product Features

- Heavy-duty polystyrene bristles
- Large broom head to reduce labour
- Can be used indoor and outdoor

- Broom head only
