
Horsehair Fine Sweep Push Broom

The Horsehair Fine Sweep Push Broom is ideal to clean fine dust and dirt on concrete, wood or tiled floors.

Featuring flagged bristles made from a blend of synthetic fibres and horsehair, this push broom effectively captures fine dust particles on any smooth indoor surface or remove cobwebs from ceilings and walls. Thanks to the natural properties of the horsehair, there is no danger of scratching the floor. Can be paired with a [wood handle with metal thread](#) or any other threaded handle.

Product Features

- Made with horsehair and synthetic fibres

- Highly effective on smooth surfaces
- Indoor use only
- Dual thread block pre-drilled for broom brace
