Pluto Large Magnetic Broom - Blue & Red

The Pluto Large Magnetic Broom can trap fine dust and particles. Ideal for wood, tile, laminate and vinyl surfaces.

The Pluto Large Magnetic Broom is sturdy and highly efficient. It features super soft flat bristles that trap dust rather than push it around. Thanks to a magnetic system, it quickly picks up lint, dust, small debris as well as the finest particles. The bristles do not retain moisture, can be rinsed clean and dry quickly. This lightweight indoor broom comes with a 48" metal handle and is easy to manipulate. Use it with a 16" X-Large Plastic Clip-On Dust Pan for small messes or with a Jumbo Lobby Dust Pan for larger amounts of dirt.
