

Round Window Brush - Grey Flagged

This round window brush can retain large amounts of liquid and has a great resistance to solvents. The block head is compatible with tapered handles.

This round window brush features a molded plastic block and grey flagged bristles that absorb and release solution to effectively clean a variety of surfaces. It is also equipped with two threaded sockets for different [threaded handle](#) positions.

Product Features

- Rugged plastic block
- Synthetic flagged bristles
- Two threaded sockets allow for different handle positions

- Ideal for commercial and institutional applications
