

## Scissor Mop Refills - Set of 2

Static-H Dust mops are more durable and effective than other mops on the market. Features more yarn than competitors and are made for heavy-duty and frequent usage.

STATIC-H™ Dust Mops are crafted from a specially blended yarn designed to withstand heavy use and repeated commercial laundering without fraying, tangling, unraveling, or linting. Engineered for superior durability and performance, STATIC-H™ Dust Mops outperform standard mops in both efficiency and longevity.

These mop refills are compatible with the [Scissor Mop Frame and Handle](#), providing a reliable solution for professional and institutional floor maintenance.

### Product Features

- Long wearing nylon fiber

- Electrostatic charge retains dust
- Tight twist yarn offers more fibre per inch which attracts and holds fine dust particles
- Durable construction and high-quality materials
- Easy to clean in running water and maintain
- Set of 2 refills per pack
