The SNAP-2-GO Mop Handle has a unique lever for quick and easy release of mop heads. Ideal for janitorial services and professional use.

The SNAP-2-GO Mop Handle features a frame made of reinforced, high impact plastic and a 54" lightweight handle. The unique lever allows for quick and easy release of mop heads; simply snap the lever open to discard a soiled mop head and add a new one. Available in fiberglass or metal, this mop handle can accommodate narrow band mop heads.
