

SuperSorb Spill Mop - Narrow Band - Large

The best mop to absorb big spills, even on rough and uneven surfaces.

The SuperSorb Spill Mop is made from 100% re-purposed, post-industrial non-woven materials, making it a versatile and eco-friendly cleaning tool. This innovative wet mop is designed to absorb up to 7 times its weight. Perfect for cleaning up oil and solvents, the SuperSorb Spill Mop is a super durable and effective choice for any industrial setting. Can also be used on rough surface floors. Let it soak in a [40 Qt. Champ mop bucket](#) filled with clean water and wring with a [side press wringer](#) to clean it. This cleaning product is a must-have for any business looking to maintain a clean and safe workspace. Experience the power of re-purposed materials today!
