

Tub Scrubber

Clean the entire bathroom including the tub, shower walls and floor surfaces with this all-purpose scrubbing pad.

This versatile tub scrubber allows you to clean your bathroom quickly and efficiently. Featuring a scrubbing pad and a triangular swivel head, it works well to get into all the corners and grooves. Use it to scrub the bathroom floors, the tub and the shower walls all the way up to to the ceiling without having to bend or climb. The scrubber can be used with or without a handle and is suitable for residential and commercial applications. Pair it with the [Vim® Power & Shine™ Bathroom Spray](#) for a powerful cleaning combo. Need to replace the pad? Grab a [Tub Scrubber Refill](#).

Product Features

- Anti-microbial head is abrasive for deep cleaning, retains water for rinsing
- Head pivots for cleaning at different angles
- Easy to assemble
- Can be used with or without handle
