

Lock-Top Dispensing Bottle Cap

Use this flip cap with cleaner bottles for measuring, storing, and delivering cleaning solutions.

This Lock-Top Dispensing Bottle Cap is made of sturdy plastic and will not loosen or leak for safe storage and transport. It features a ribbed design for easy tightening and removal. It is a great solution for reducing waste and having ready to use spray cleaners and disinfectants at all times. This Lock-Top Dispensing Bottle Cap can be used with the [32 oz / 1L Carafe Bottle](#) or the [16 oz Cylinder Bottle](#).
