

Flip-Top Dispensing Bottle Cap

This snap top cap is a great choice for containing products that need to be dispensed in smaller doses.

Featuring a smooth plastic construction, this Flip-Top Dispensing Bottle Cap makes it easy to dispense liquids, gels and creams efficiently. It is a great solution for reducing waste and having ready to use spray cleaners and disinfectants at all times. Use it for storing liquids, shampoos, soaps, sanitizers. Pair this cap with the [32 oz Carafe Bottle](#) or the [16 oz Cylinder Bottle](#).
