
Manual Foam Soap Dispenser

This manual soap dispenser can be mounted anywhere for a space-efficient solution. Ideal for commercial and institutional environments.

This Manual Foam Soap Dispenser features a leak proof design to keep floors and counters clean. It also has a large window to help monitor soap level. The large-capacity reservoir allows you to refill less often, which is ideal for the janitorial staff. This dispenser is great for offices, schools, hospitals, restaurants and all high traffic areas. Also available in an [automatic foam soap dispenser](#) format. Your customers prefer liquid soap? Not a problem, as the [Manual Lotion Soap Dispenser](#) is a great option.
