## Auto Foam Soap Dispenser

## This touch-free foam soap dispenser helps reduce cross-contamination and spread of germs and can be wall-mounted or used with a stand.

This automatic foam soap dispenser is made with high-impact plastic and features a tamper-resistant viewing window, and a swingopen body with a lock and key. It can be fixed to the wall or mounted to a <u>mobile metal stand</u>. The battery-operated mechanism automatically dispenses an allocated amount of foam soap or sanitizer. Also available as an <u>Auto Lotion Soap Dispenser</u>.

## **Product Features**
