Wave Anti-Splash Urinal Screen - Lemon Lime

Practical and effective, this urinal screen is designed to keep busy public restrooms cleaner. It releases billions of beneficial bacteria that clean the urinal and eliminate odors.

The Wave urinal screen features an anti-splash design that helps keep restrooms cleaner. It prevents debris from clogging drains and emits a fresh, clean scent. The Wave model is more fragrant than vinyl screens and deodorizes up to 30 days. Perfect for commercial and institutional applications. Also available in an eye-catching target design format.

Product Features

- Instantly eliminates persistent odors at the source

- Prevents debris from clogging drains
- Deodorizes up to 30 days
- Available in 6 fragrances
- Ten times more fragrant than vinyl screens
